Results, Man, Results!

sidewalks on the north side of North Canal St. (W) were repaired and paved and gravel laid last week by Loxahatchee Prismax Maintenance crews after State Road Department officials were contacted by County Commissioner Paul Bardin, Canal Point.

Notified by The Herald of the unsightly condition of the road while making walking and impossible, Bardin called the SRO project to him July 15 and learned that a road crew was on the job Thursday morning. They finished the first phase of the clean-up Friday afternoon. The crews, it was understood, would return just prior to the opening of school for another phase of the program.

That's what we call action, and we think Belle Glade folks—especially those who walk along the street—will appreciate the fast action.

Uncle Dan From Democrat River Says

Dear Mister Editor:
All I know about how them Senators and Congressmen carry on the nation's business is what I read in the papers. Last instant I was reading yesterday where the Senator got in on the proceedings and talked for a hour about someone else. When they do this, they say they're "rising to the point of order." My old man has been bunting in on my conversation for years without "rising to a point of order."

And I remember one time when Senator Neely of West Virginia got up and said: "There are 58 Democrats in the Senate. God bless them. There are 47 Republicans. God bless them. And the others?" Some Senator rose up "on a point or order" and allowed as how such talk was in violation of the Senate rules. If I recollect right, they were all white.

Next came it to where God's blessings would fall on every body alike, including Senator Morse who at that time, was calling himself an Independent. I don't recall him ever saying he was good word at that time for the taxpayers, like.

They spent half their time in Congress talking about nothing. I recollect one time when Senator Neely of Tennessee had to apologize to Senator Bush from Connecticut for calling him a gentleman. It seems you're supposed to be a gentleman in the Senate, the distinguished Senator." Then Senator Bush had to apologize to Senator Kerr from Oklahoma. It seems that Senator Bush claimed that Senator Kerr made "false" statements. They look

ed up the rules on it and decided that the distinguished Senator from Connecticut had called the distinguished Senator from Oklahoma a liar. The rules plain and simple said that if one distinguished Senator could not call another distinguished Senator a liar. So Senator Bush had to amend his remarks to say that Senator Kerr was handling the "fact in a careless manner." Some good man, Mr. old man, has been bunting in on my conversation for years without "rising to a point of order."

I'm going to call her attention to this need and more orderly system and tell her to make her manners a little better in the future.

The effectiveness of healing based on spiritual law will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Truth."

Peter's healing of the "man lame from his mother's womb" will be featured in the Bible readings which include this passage:

"Then Peter said, Silver and gold have I none; but I give have I one; but in this name I give have I one; in the name of Jesus I give you my coat. And he took up his coat and cast it to the man. And he stood straight up and walked. And he took him by the right hand, and lifted him up; and immediately his feet and ankle bones received strength. And he leaped up and walked, and entered with them into the temple, walking and leaping, and praising God" (Acts 3:6-8).

Correlative selections to healing based on spiritual law will be made available to all.

"Truth casts out all evils and the actual spiritual law—the law which is the law of sight—will bring healing to the deaf, voice to the dumb, feet to the lame,"

"Let's sponsor a pie supper," said one. "Let's sell drinks at another," said another. "So, the plan was made."

Thursday evening, July 16th about 70 people gathered at the Community Hall. Buck Norwood auctioned off the gaily boxed items which were sold on the side. Proceeds of the evening \$340.00.

The past two Sunday afternoons the married men have had the single men and boys in their homes for a baseball field. The youth sold popcorn and soft drinks bringing the summer camp fund up to \$42,000.

Special thanks is due the women and girls who baked pies and cookies. Mrs. Cox used her car and loud-speaker to publicize these events to Okeechobee residents.

This Sunday afternoon, the women and girls plan to play a softball game at 3:30 p.m.

July 3rd five members of Okeechobee Home Demonstration Club will travel to Miami to learn Swedish Weaving. Mrs. Cole of West Palm Beach gave the demonstration.

The next meeting of the club will be August 7th at 1:30 p.m. All Okeechobee women are welcome to come and bring their children. There will be care provided for the youngsters during the meeting by one of the nursery girls.

"Most of us are blessed by the loving concern of loved ones or friends. But whether or not we have that blessing, we always have the encouragement of the Lord. David encouraged him to make his home with him. The evenings were long, and old sculptors asked for clay to continue modeling.

He worked hard, slept little, and skill, watched the result with some concern. When bedtime came, always the accomplishment was distressingly below the old man's dream. The old man would take hold of his father's poor, faltering effort. In the morning, the old man would exclaim with delight, as he looked again at the work: "Why, it isn't so bad!"

"May we lift our eyes this day, with glad faith, from ourselves to Thy infinite strength and love. In the Saviour's name. Amen."

Rep. Roberts Is Named With Those Who Might Seek Mayo's Position

Rep. Roberts has been proposed into the field of would-be successors to Nathan Mayo, Florida Commissioner of Agriculture, according to the Florida News Service. Mayo has already announced his retirement at the close of his present term.

State Representative Emmett S. Roberts, Belle Glade, was named with Rep. Doyle E. Conner, W. R. (Buster) Cook, G. W. (Bob) Reid, Wint Haven, and George Owen, assistant attorney general in charge of anti-bookie law enforcement.

Citrusman and former state senator, R. E. (Buster) Cook, of Chuluota, is the only one who has formally announced his candidacy. It is generally accepted; however, according to FNS, that Conner will definitely run for the campaign with the others, unless the press service termed it.
